SUBSCRIPTIONS

Once again subs have not increased for the 2011 - 2012 season. If you have changed address, phone or email please let Jan know.

SENIOR INTERCLUB

Starting dates have not been set yet, but we are looking for players for Senior Interclub. If you are interested in playing check out the notice board and put your name up or phone Andrew Karl 5449007 or Raewyn 5442889

AN IMPORTANT REMINDER

Please ensure the gates are kept shut while playing and when leaving the courts. They have been found wedged open on a number of occasions and no one on the court.

CHANGE TO LIGHTS SWITCHES - A new switch has been put in the light box to enable players to turn off the lights after play. If you are the last players on court, please turn the lights off at the light box on the deck. Hopefully this will reduce our huge power bills especially over the winter months.

When playing under lights there is a **\$2 per person** fee, to assist in paying for the lights and replacing bulbs. Please put this into the honesty box (on the light pole in front of court one) before going on court.

Visitors are welcome to play but they must pay a visitors fee of \$5.00 plus \$2 if under lights, this should also be placed in the honesty box.

We need Reserve players for Business House, Thursdays Starts 6th October, if you want to be on the reserve players list, please let us know. Phone Jan 5756435 or email jankelly@extra.co.nz.

A huge thank you to Lorraine Day and Chris Sorrenson for all their work for the club over the past years, especially with running Business House and looking after the bar. Thank you.
